EXPERIENCE

Motion Industries, Birmingham, AL June 2018-August 2018
Software Development Intern, 40-hrs per week Salary: \$15/hr

- Wrangled data in a corporate development environment, leveraging Pandas and Python to produce Excel workbooks that was distributed to a recent acquisition for database mapping
- Gained experience writing scripts, primarily in Python, to automate work processes
- Designed and developed a Pythonic file parser, leveraging Regex to analyze over 30,000 Java files for matches against a local database that was used for scope analysis in a company merger

Auburn University, Auburn, AL August 2017-Present
Undergraduate Teaching Assistant, 12-hrs per week Salary: \$8/hr

- Led over 200+ students through in-class exercises and assignments using the Microsoft Office Professional Package
- Provided one-on-one guidance to students, helping to resolve any homework problems in an understandable and accessible manner

Auburn University Bookstore - Apple Authorized Service Provider, Auburn, AL May 2017-Present
Technology Team Member, 15-hrs per week Salary: \$7.55/hr

- Communicated technical specifications about Apple computers in an approachable manner so that students would be able to find a computer to best fit their academic needs
- Assisted customers with Apple troubleshooting – such as malware removal, keychain issues, Microsoft Office issues, and analysis of hardware issues – as well as first time computer set-up

Chick-Fil-A, Auburn, AL August 2015-May 2017
Team Leader, 30-hrs per week Salary: \$9/hr

- Trained several new team members on restaurant operations and company policies to help ensure excellent customer service in a fast-paced, \$4 million-dollar, multi-task environment

Lawlers Barbecue, Madison, AL April 2012-August 2015
Shift Leader, 45-hrs per week Salary: \$12/hr

- Led teams of 6 or more staff with a common goal of friendly, high quality food service. Transferable skills: leadership, time management, professionalism.

ACHIEVEMENTS AND INVOLVEMENT
